MILLEN GARDENS

SHEYENNE, NO. DAK.

NORTHERN GROWN GLADIOLUS

PRICES ARE QUOTED FOR SPRING OF 1949 ONLY

Many thanks to all our customers for their patronage the past season and for the many nice letters and cards telling of the nice blooms grown from our bulbs.

Some of you have been steady customers for 10 to 15 years.

We have a nice crop of bulbs and a good stock of most varieties on hand; however, stock of a few varieties and sizes is rather limited and will be sold out early. Order early to be sure of varieties and sizes you desire. A second choice or permission to send same or better value of another size is advisable if order is sent late in the season. NO SUBSTITUTION WITHOUT PERMISSION.

CASH WITH ORDER PLEASE. ALL ORDERS OF \$2.00 OR OVER ARE SENT PREPAID.

Delivery will be made beginning the first part of April, when safe from frost.

LARGE orders can be sent at any time by insured Express if wanted early.

Acknowledgment of order is made by card, also a card is sent the day before bulbs are shipped to customers on rural routes.

THE STANDARD SIZES AND GRADING USED IN THE BULB TRADE ARE AS FOLLOWS-

LARGE bulbs are #1 and #2 (#1 is 1 inch in diameter & over, #2 is 1 to 1 1/2 in.)

MEDIUM bulbs are #3 and #4 (#3 is 1 inch to 1 1/2, #4 is 3/4 to 1 inch)

SMALL bulbs are #5 & #6 (#5 is 3/8 to 3/4 inch, #6 is 3/8 to 1/2 inch)

#7 is 3/8 inch and less. We ship #1 and #2 for Large and ALL #3 FOR MEDIUM, so our medium bulbs will average much larger than most growers sell as medium.

Most of our old customers buy the medium size and find them very satisfactory.

We send out #5 for SMALL bulbs. Our planting is almost entirely #5, #6, #7 & bits.

5 BULBS MAY BE ORDERED AT THE PRICE QUOTED FOR 10

TRUE TO NAME, HEALTHY AND TRIP-FREE BULBS.
